Thank You

James Goodman, Sean Meiszner, Tulat Raja and the whole of the local Lib Dem team would like to say a huge 'thank you' for the support they received in the recent elections.

Although the result was disappointing, the response from residents has been hugely positive, and the team will continue to work hard for residents and fight the Labour Councils waste and incompetence.

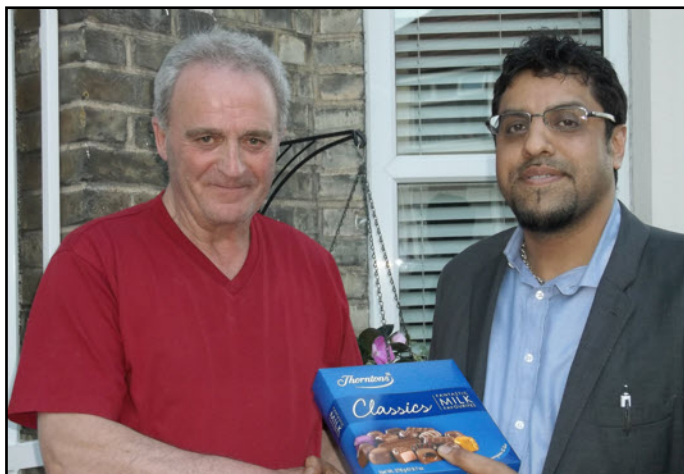

Locally the Lib Dem team has a real record of action for local people.

Spot the Landmark

Congratulations to Fred Le May who correctly identified the Bell in our last Spot the Landmark competition. He wins £10 and a box of chocolates.

Inconsiderate Builders

The building site off Penrhyn Grove (see Focus 160, and 162) is continuing to cause more problems for local residents, with noisy building often starting before 7am despite several complaints.

Noisy building work is only permitted after 8am in the morning, and problems before this time should be reported to the council Environmental Health department on 020 8496 3000.

Working For You

Liberal Democrats: Working all year round

Lib Dems have cut taxes for working families

As of this April 83,900 local workers in Waltham Forest are now paying £700 less in Income Tax thanks to Lib Dems in government.

Having met this key election promise the Lib Dems wanted to go further, and this tax cut will rise to £800 from next year providing real help to local families who are feeling the pinch.

£800

Lib Dems are helping with the cost of living

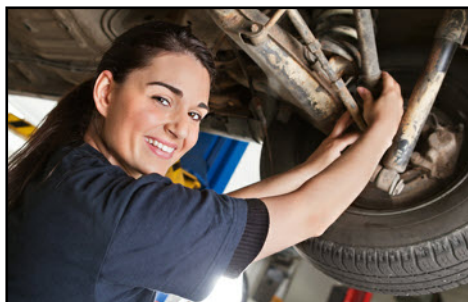

£400

Liberal Democrats in government are providing real help to local families with the cost of living.

They have provided £2000 tax-free childcare per child, free school meals for all infant school pupils from September will save families £400 per child per year and free child-care has been extended for all 3 year-olds and 40% of 2 year-olds.

Lib Dems are fixing the economy and creating jobs

The Lib Dems have rescued the economy and are ensuring our children are not saddled with the mountain of debt the last Labour government left behind.

Lib Dem policies have helped create over 1.6 million private sector jobs, and 5,790 apprenticeships here in Waltham Forest alone - a great way for young people to get into work.
